A. CAMP:
Now that we have returned from our week at Camp Coonawarra we can now reflect on our camping experiences.
Create a ranking ladder of 6-8 activities/experiences you had a Camp. Rank them from first (your favourite activity/experience) to 6th (sixth favourite activity/experience). Remember to give reasons WHY you enjoyed these activities.
In the week 5 homework we completed a pre-camp ranking of the activities. Compare this week’s activity rankings to the pre-camp one. Is there any differences or similarities?

B. Maths – Mathletics (Chance) – www.mathletics.com.au
Complete the Mathletics task set by your teacher. The focus of this task is Chance.
You will need to complete this task using your home computer or laptop as the Mathletics app has different content to the website.

C. Integrated Studies: Research Task
1. Who is the Prime Minister of Australia? What is their electorate? Are they a member of the Federal, State or Local Government?
2. Who is the Premier of Victoria? What is their electorate? Are they a member of the Federal, State or Local Government?
3. Who is the Mayor of your local council? Are they a member of the Federal, State or Local Government?
4. Where did you find this information?

D: Grade 6 Term 1 Reflection:
Attached to this sheet is a ‘Parking Lot’ reflection sheet. Please complete the task reflecting on your first term in grade 6. The reflection relates to everything you have done as a grade 6 student, classroom tasks, homework, leadership opportunities, sport, camp etc. Remember to write or type full sentences and paragraphs for each box.

E. Grade 6 Quiz:
It is now your turn to create a Fun Quiz question about the 2014 Grade 6 Team. Remember it needs to be something that you know the answer to and you can test others in your class on. Also it needs to be appropriate! Good luck!

Reminders – Showcase ‘Quality’ Homework (stay neat), Inter-school Sport Friday March 28th
### Parking Lot

**My first term in Grade 6.**

*Due: Monday March 31st*
